

THE CORNERSTONE CHRONICLE

CLAIMING THE CITY FOR THE SAVIOUR

Pray for Chicago

CORNERSTONE HAD A JOYOUS TIME CELEBRATING 10 YEARS OF VICTORY. WE GIVE GOD THE GLORY FOR PLANTING AND SUSTAINING AN OLD-FASHIONED, INDEPENDENT BAPTIST CHURCH IN CHICAGO.

LAST YEAR 226 PEOPLE CAME. THIS TIME WE HAD 286. FIVE PRAYED TO ACCEPT CHRIST.

The last few months in Chicago have been more than busy! We have caught our breath long enough to write a report. Thank you for praying for our ministry. **We started 2018 begging God to give us a stronger church for the 21st century.** Much of the beginning of the year was spent teaching on the office of the deacon. In March, we had a serious study of the book of I Timothy. In April, we continued a series on the cultural things that have weakened the churches. The month of May was given over to preaching on soulwinning and discipleship. On June 3, we brought in more than double our normal attendance and preached a message on the reality of Hell. Five prayed to be saved, and two families have continued to attend. Now we are focused on teaching on the Christian home. We will also be warning of the heresy of Steven Anderson.

Pastor Jerry Ross, Pastor of Blessed Hope Baptist Church in Jasonville, Indiana preached in the afternoon service. Pastor Ross brought a tremendous message on "Generational Faith." He encouraged us from Scripture to have a faith beyond the first generation of our church.
