OCTOBER - NOVEMBER 2020 SANDY & JAIME'S WEDDING

Though the lockdown for the Corona virus has been difficult, there have been some rays of joyous sunshine. Sandy & Jaime are a young couple in our church who are newly saved. Jaime came to our church first. He had been saved through listening to a street preacher on YouTube. He found us thru the church website. Initially he was very wary, but knew he wanted straight, unapologetic Bible preaching. He knew that he needed this to grow. As the Lord worked thru the preaching and discipleship Bible studies with Dan, he did indeed grow. He was baptised after attending for a few months. He began witnessing to his co-workers, one of which was a young French lady named Sandy. She had hit a very low point in her life and was searching. As Jaime shared his testimony and the gospel, she realised that this was what she needed too. She began attending our church and was saved a few weeks later. Beth began discipleship Bible studies with her. It was a delight to see her grow and change as she drank in the truths of God's Word.

A friendship began between Jaime and Sandy which transformed into something more. They sought counsel on how to have a godly dating relationship. As they followed this advice and prayed for God's will, they were both convinced that God meant for this relationship to become permanent. Their wedding was on October 3, 2020. God blessed in allowing the lockdown to ease enough that they were allowed to have a wedding. We thank God for a young couple who is growing and actively serving as they grow.

DOOR 2 DOOR SOUL WINNING : 3-5 YOUNG MEN GOING OUT EACH WEEK

We are going out each week knocking on doors and putting gospel tracts in homes. As we go door to door, if someone is not home, or is afraid to open the door to speak to us, we put a tract through the mail slot in their door. In spite of the fearfulness around us, some have opened the door and talked with us. Most are spiritually hardened, but some of those talks have gone very well and we have been able to clearly communicate the gospel. Death is at the forefront of many people's minds these days. In spite of hardness, we always feel joy after sharing the gospel. We pray for fruit to come as souls are saved, as we carry out the good news of salvation to a lost and dying world.

We now have 3-5 people who are faithfully going out each week. There are a couple of others who are interested in going. We pray that they will join us in our effort to spread the gospel, God's message of hope!
