

PRAISE REPORTS:

1. Praise the Lord that one of our most faithful Sunday School attendees got saved. Pray for her spiritual growth!
2. Praise God for protecting our children and people from the virus and from the "COVID-police."
3. Praise the Lord for moving Marcia's dental appointment a week early. And praise God after six visits, she is done with her dental appointments.
4. Praise God for bringing a new lady to the fellowship in Tuktukan. Her name is Sis. Genica. Pray for her safety in travels to and from church each Sunday.

PRAYER REQUESTS:

1. Pray for God's mercy to be upon the Philippines. Apparently, the country is under God's judgment, but we can always trust and appeal to God's mercy because of Jesus on behalf of our beloved Philippines.
2. Pray for the salvation of our newly elected officials. Both the former President and the new one need to repent and believe on Jesus Christ. Many politicians and government officials demonstrate the fact that they do not know Jesus by regarding God as non-essential. This continues to be the case and they need our prayers and witness for real.
3. Pray for the Philippines to loosen their pandemic protocols. The best thing is to move to an "endemic" stage and to totally loosen all restrictions.
4. Pray for the brethren in Tuktukan, Taguig City, as they carry on the work of the ministry & worship of the Lord each Sunday in our absence.

Hardecker Headlines

Independent Baptist Missionaries to Taguig City, Philippines sent by Mt. Zion Baptist Church, Brogue, PA.

A record number (43) of "street children" (neglected by parents) now attend our "modified" Sunday School ministry. Pray for their safety.

Alert Level 1 Till June 15:

The country's inter-agency task force (known as the "IATF") assigned to address the pandemic response decided to maintain the current lockdown status at the lightest level (Alert Level 1) until June 15 following a slight uptick in COVID cases after going through weeks of political campaigning and mass gatherings by the thousands. In a way, it is good that they did not return to Level 2 or worse and this may indicate that the Omicron subvariants are not as concerning as the Delta variant.

We Rejoice to Know that Jessica (age 12) trusted in the Lord as her Saviour:

This precious girl has been attending our children's Sunday School ministry from the start (5 years ago). The lockdowns have not been good for the children since for 735 days, children 17 and below have not been allowed outside of their houses and this includes a two year cancellation of face to face classes for their schooling. But praise God, she came every time we "relaunched" our children's outreach ministry. Finally, this Sunday (05/29/22), she truly understood what it meant to repent and believe in Jesus alone for salvation. God is good!

Ferdinand Marcos Jr. is President Elect:

The Philippine President gets to serve a six year term. 40 years ago the Filipino people ousted his father Marcos Sr. from power. **Proverbs 29:2b** is true: "... but when the wicked beareth rule, the people mourn."

Eph. 1:22-23 "And hath put all things under his feet, and gave him to be the head over all things to the church, (v.23) Which is his body, the fulness of him that filleth all in all." - We know that God answers prayers especially when His churches pray. THANK YOU for your prayers!

Joseph Accompanied Me to Ambassador Baptist Church, Pittsburgh, PA:

Ambassador Baptist Church is a wonderful church located in downtown Pittsburgh. Pastor Mark Montgomery is the pastor. This church has been faithfully supporting us from the start (more than six years now), and we thank God that they are a golden candlestick in the Pittsburgh area. The Sunday prior to this, WT accompanied me to Faith Bible Baptist Church, Medina, NY under Pastor Rich Damey. It was a joy to be able to return and rehearse the wonderful things that God is doing in Tuktukan, Taguig City, and get re-acquainted with our long-time friends and to meet newer friends (church members who have joined their respective churches).

We Got to See and be with Dr. Lee and Gloria Henise:

This couple is like an Aquila and Priscilla in my book. They are humble servants used of God to start /re-plant Baptist churches. Praise God for Godly friends! They are currently serving alongside Pastor Andy Almanza & his family at Gospel Light Baptist Church in Millersville, PA. Pastor Almanza & his son Allen placed some flags on the church lawn in honor of Memorial Day.
