

PRAISE REPORTS:

1. Praise God for a good increase in attendance. Many of our regular attenders are bringing their friends and relatives to the services.
2. Praise the Lord for some of our Sunday School children stepping up and attending the church services.
3. Praise God for a wonderful "Night of Thanksgiving" mid-week service.
4. Praise the Lord for providing a place for Sis. Bambi to live and work. The Lord opened up a place for her to restart her business and livelihood. She will live close to our church meeting place. She asked me relay her thanks to you for praying for her.
5. Praise God for safety, strength, and provisions to be able to prepare some special events and treats for the children and young people in the up-coming Christmas season.

PRAYER REQUESTS:

1. Pray for the families of our Sunday School children. We know of siblings that have been incarcerated because of theft. One boy had his left eye poked by a knife while he and his brother were horsing around. The darkness is thick in this community BUT praise God the light of the glorious Gospel shines the brightest. We help where we can, but the most important thing is being a faithful witness, patiently loving them and speaking to them about the Lord.
2. Pray for a harvest of souls. We have been sowing and watering and we are anticipating a great harvest of souls - our prayer is that many who hear the preaching and teaching of God's word would get saved.
3. Pray for spiritual growth and revival.

Psalm 69:30

"I will praise the name of God with a song, and will magnify him with thanksgiving."

We thank God for who He is!

Dear Praying Friends,

Happy Thanksgiving! We praise God for your faithfulness in prayers for our missions work here in Tuktukan, Taguig City and surrounding villages. We know we can count on your love and prayers. The Lord has been blessing our Sundays with an increase in attendance among the young people. Many of them have been returning and sticking with the AM services after Sunday School. Above are pictures of some of the "older" children that are involved in their respective "Salvation Class." Please pray that they would get serious about things of God, and that they would come to a saving knowledge of the Lord Jesus Christ. It was wonderful to be able to bless them with some gently used clothes, and plenty of treats and surprises for being faithful in attendance, and memorizing Bible verses. Please don't stop praying for us and for souls to be saved, baptized, and added to His assembly. God bless you!
