2018 Thanksgiving Edition

Count Your Blessings, Name Them One by One

*Enter into his gates **with thanksgiving**, and into his courts with praise: be thankful unto him, and bless his name.— Psalm 100:4*

I have seen God answer a prayer:

God answered my prayer because I wanted to get saved. I was lost in sin. I received Jesus as my Saviour.

I have seen God be my Comforter:

I slipped and fell, and busted my chin. They gave me five stitches, but God comforted me.

I have seen God be my Protector:

God protected me when I got my tetanus shots. It was quick and not too painful.

I have seen God be my Provider:

God provided me a Hot Wheels car (it was a Queen and a Rook car). Mom was surprised that I got it before Christmas.

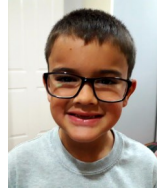

I have seen God be my Forgiver:

God forgave me when I asked Jesus to save me. He took away my sins.

I have seen God working in my Family:

God worked in my family because Dad does a lot of traveling but God protected him.

A special word of “thank you” goes to Gospel Light Baptist Church, Millersville, PA (Pastor Andy Almanza) for a special offering. God bless!

I have seen God answer a prayer:

God answered my prayer by helping me with school. I am doing good in math; it is one of my greatest improvements this year.

I have seen God be my Refuge:

God protected us from many storms and floods. We had many different storms, and our electricity even went out a few times. But God was our refuge.

I have seen God be my Protector:

God protected us since this year we have had no tricycle and car accidents. Our taxi got pulled over once but thankfully there was no accident.

I have seen God be my Great Physician:

God helped me when both of my front teeth needed to get pulled. God healed me up quickly so that I could eat normally again.

I have seen God working in my Church Family:

God worked in our church family because He brought more people to our mission-work in Tuktukan. We have seen many souls saved, and folks baptized.

I have seen God answer a prayer:

God directly answered my prayer when I prayed for my parents to be able to visit. And He also answered a prayer when Hannah got saved.

I have seen God be my Comforter:

During a hard time earlier this year, God comforted me through listening to sermons online. What a blessing that was to me!

I have seen God be my Strength:

He has been my strength in my every day life. The busyness can be wearisome but the Lord continues to strengthen me.

I have seen God be my Provider:

He provided good friends for me and also He provided helpers for our children’s Sunday School ministries. I am learning and retaining a lot of Tagalog.

I have seen God working in my Family:

Back in May, after a day of VBS, I had the joy of leading Joe to the Lord. God is working in our children through school. They have a great desire to learn and are improving & growing.

I have seen God answer a prayer:

God’s answers are always wiser than our prayer requests. He answered my prayers for an increase in guests and visitors to visit us during our regular services. He also answered by opening up many opportunities to speak to people about the gospel.

I have seen God be the Lifter Up of my Head:

Sometimes working with people can be discouraging. But when they respond either through the preaching of God’s Word or personal counsel, I can see that it is God who works in people’s hearts.

I have seen God be my Provider:

God has blessed us over and over, not only through faithful support, but also through special offerings. God knows what we need and He is faithful to supply all of our needs according to His riches in Christ Jesus. We thank you and we bless and praise God!

I have seen God working in my Family:

Ministries hinges on families. I thank God for a good wife. I thank God that my boys are saved. God is good.
