

PRAISE REPORTS:

1. Praise the Lord for allowing us to conduct our evangelism ministries despite the rainy season.
2. Praise God for helping many of our regular attenders get over some sicknesses.
3. Praise the Lord for a number of young people that are sticking with the Salvation Class.
4. Praise Him for new visitors.
5. Praise God that Sis. Bambi was able to find a temporary place to rent while she is still searching for a more permanent place to do business and to live nearby.

PRAYER REQUESTS:

1. Pray for the salvation of many of our young people. ALSO pray for our school students - some of the young people are tempted to neglect the Lord’s Day to do “projects” and “extra-curricular school activities.” Our prayer is that they would understand the importance of the Lord’s Day and set it aside for the worship and service of God in His house.
2. Pray for the salvation of our local and national government officials.
3. Pray for spiritual growth of those who come to our Sunday and Wednesday night services.
4. Pray for safety and health.
5. Pray for visitors and guests to come and for them to stick (get saved, get baptized, and added to the church).
6. Pray that Elena recovers from her stroke and that her and her family may someday come to our assembly in Tuktukan.

Psalm 77:13

“Thy way, O God, is in the sanctuary: who is so great a God as our God?”

A Box of Blessings

We were so happy to be receive most of our “*Balik-Bayan*” (Return-to-Country) boxes. Marcia diligently worked at packing one of the boxes with clothes particularly for ladies. It was such a joy to give our Sunday School girls, and ladies (church ladies and even guests and visitors) some good quality clothing. The Bible lays out several principles of Creator-creature gender distinctions which our current culture runs completely opposite against, not to mention many other principles of godliness in clothing modesty.

Game Night at the Hardecker House

We broke out a few rounds of Chess, Tenzi, and other games. Of course, there was plenty of food and fun. We are praying for one friend in particular (her name is **Mary**). She is a sister to Ms. Caroline

(one of our Baptismal prospects). Mary has had some religious experiences, but does not have a clue about the Gospel. She was visiting with her sister when she attended our Sunday afternoon service. She came forward at the end of the service and received Biblical counsel and witness about sin and the Saviour. Our prayer is that she would truly repent and believe on the Lord Jesus Christ.

A Bit of Fun After Sunday School While Waiting for Their Older Siblings and Friends

Bugoy (pronounced “*boo-goy*”) received a prize for memorizing Ecclesiastes 12:1. He picked “Snakes and Ladders.” Some of these children had to play a round while they were waiting for their older siblings (attending the Salvation Class). We are so thankful to God that our numbers are back up to the 50’s (in fact, last Sunday, 10/23, we had over 60 children) and some of the older children are staying for the morning worship service which also includes a morning Bible study for teens and adults.

Two special guests - Benjamin and Tim. They are college age young men who recently moved from Myanmar to Taguig City. They attended our morning worship service. Our prayer is that they would return. Thankfully, they do speak English, but it wouldn’t hurt to pick up some Burmese to help make them into disciples.
