Dear Praying Friends,

August-September 2019

## RIFT VALLEY BAPTIST COLLEGE

The Bible College ministry is a vital part of our training program for both those called into the ministry and to strengthen the churches with members who can handle the Word of God properly. The college has now been in existence for twenty years and we have seen much fruit and believe that it is "fruit that will remain". We often have guest lectures travel from the United States to teach a class or two. We would like to give an open invitation to any Pastors, Assistant Pastors, or any others who are skilled in handling the Word of God to come over and help us. The classes meet during the months of April, August and December. It would require a week of your time and you would teach in the "block" format. It would be a blessing to both the teacher and the learner. Please contact me for any additional information.

## KENYA

Although God has expanded greatly our outreach into the Regions Beyond us the work in Kenya continues to go forward. We are training nearly thirty preachers in the Rift Valley Baptist College, the Grace Baptist Academy has over 200 students, and we have one man being trained for missions work in the Regions Beyond Academy of Missions. Many other ministries also continue to go forward. Recently, I was able to travel and visit some of the other churches that have been started out of the Grace Bible Baptist Church and also visit with some of the churches whose pastors have been trained in the Bible College. It is a blessing to see all that God has allowed to be done throughout Kenya.

## PRAYER REQUESTED

Truthfully we are busy in the ministry, sometimes we wonder how we are going to do all that needs to be done. We really are not looking for more things to do but always willing to follow God's direction. Recently God has begun to burden in two new areas of possible ministry. Both areas would be time consuming and costly but extremely needy. We are asking that you pray for us and our national leadership as we seek God's will concerning these things. Thank you for praying!

His for Kenya

And the Regions Beyond,

The Mickey Family
